

AMENDMENTS TO THE SPECIFICATION:

Please edit the specification pursuant to **(A)** and **(B)** below:

(A) Please insert the heading and paragraph below into the Application-as-filed at Page 3, immediately preceding the final partial paragraph:

Brief Description of the Drawings

Figure 1 is a graphical illustration of the flavor profile of three Acesulfame K + HFCS-42 Solutions versus HFCS-42 and HFCS-55.

(B) Please delete Page 8 of the specification in its entirety, including Graph 1 and all related text.
